MIMOS Berhad: 30TH July to 10TH August, 2018

Dr Akeem Olowolayemo, a lecturer at the Faculty of Cognitive Sciences and Human Development, Universiti Malaysia, Sarawak went on a two-week Visiting Academic to MIMOS Berhad, Kuala Lumpur, Malaysia for his industrial engagement. During his visit, he was engaged at the Data Science unit of the MIMOS Corporate Technology, where most of the tasks involve Big Data analytics & Cloud Computing. He worked with the Data Science team for two weeks, specifically relating to natural language processing and signals processing. During this visit, initiatives to form a collaborative team working together for research, grants, patents, co-supervision and resource persons between the two parties were conceived and concerted effort to take advantage of the synergy and opportunities available were discussed extensively.
